Section 2

Americas

Argentina

The monthly minimum wage increased (Spanish) on March 1, 2024 to AR\$202,800, up from AR\$180,000.

Aruba

Effective Jan. 1, 2024, the 2024 monthly minimum wage is (Dutch) 1,986.20 AWG (up from 1,893 AWG) for employees aged 18 or older, and 463.25 AWG per week (up from 441.60 AWG). The new income limit is 4,965.50 AWG per month (up from 4,733.50 AWG), or 59,586 AWG per year (up from 56,802 AWG).

Belize

The minimum wage increased to BZD\$5 on Jan. 1, 2023.

Bermuda

Bermuda introduced a minimum wage rate on June 1, 2023. The hourly wage is \$16.40 BMD. The rate excludes tips given voluntarily to workers, and employers must pay any difference for personal care employees and employees receiving gratuities and service charges to ensure payment of the minimum hourly wage.

Bolivia

Effective May 1, 2023, Bolivia's monthly minimum wage increased (Spanish) to BOB\$2,362 — up from BOB\$2,250 Brazil

Brazil

The minimum monthly salary increased (Portuguese) on Jan. 1, 2024 to 1,412 BRL, up from 1,320 BRL.

Canada

On April 1, 2023, the federal minimum wage increased to C\$16.65 — up from C\$15.55 per hour. This change applies to workers and interns in federally regulated private sectors, including banks, postal and courier services, and interprovincial air, rail, road, and marine transportation. For those working in provinces or territories where the general minimum wage rate is higher, the higher rate continues to apply. The federal minimum wage is adjusted automatically each April 1 to reflect the average annual increase in the consumer price index. Here is a government chart of federal and provincial minimum wage rates.

Canada — British Columbia

The general hourly minimum wage in British Columbia will increase on June 1, 2024, to C\$17.40, up from C\$16.75.

Canada — Manitoba

The minimum wage increased to C\$15.30/hour on Oct. 1, 2023, up from C\$14.15/hour.

Canada — New Brunswick

On April 1, 2023, the minimum wage increased to C\$14.75 per hour (up from C\$13.75) — the highest in Atlantic Canada. A further increase to C\$15.30 will take effect on April 1, 2024.

Canada — Newfoundland and Labrador

The minimum wage increased to C\$15.00 on Oct. 1, 2023, up from C\$14.50/hour. A further increase to C\$15.60 is slated for April 1, 2024. The minimum overtime rate also will increase to C\$23.40.

Canada — Nova Scotia

The minimum wage increased to C\$15/hour on Oct. 1, 2023 — six months sooner than previously announced. The previous minimum wage rate was C\$14.50/hour.

Canada — Nunavut

The minimum wage increased on Jan. 1, 2024 to C\$19/hour, up from C\$16/hour — it will be the highest minimum wage in Canada. The minimum wage last increased on April 1, 2020 to C\$16/hour, up from C\$13/hour.

Canada — Ontario

Ontario's government announced that it will increase its minimum wage to C\$17.20/hour on Oct. 1, 2024 — up from C\$16.55/hour. This 3.5% increase is based on the consumer price index and brings Ontario's minimum wage to the second highest in Canada.

Canada — Prince Edward Island

Prince Edward Island's government has announced two minimum wage increases for 2024 to C\$15.40 (up from C\$15) on April 1, 2024, and then to C\$16 on Oct. 1, 2024.

Canada — Quebec

On May 1, 2024, the minimum wage will increase to C\$15.75 per hour, up from C\$15.25.

Canada — Saskatchewan

On Oct. 1, 2023, the minimum wage increased to C\$14 — it will increase again to C\$15 on Oct. 1, 2024.

Canada — Yukon

The minimum wage in Yukon increased by 6.8% on April 1, 2023, to C\$16.77/hour, up from C\$15.70/hour. Effective April 1, 2024, the minimum wage will increase to C\$17.59/hour.

Chile

Increases to variable dearness allowances mean that central sphere minimum wages, excluding those based on piecework, range from 449 INR per day to 1,028 INR, up from 433 to 992 INR.

Indonesia

Government Regulation No. 51 of 2023 (Indonesian) provides information on minimum wage adjustments for provincial and district/city minimum wages (the adjustments are determined by the relevant governor based on economic and employment conditions). Provincial governors must determine minimum wage changes by Nov. 21 (effective the following January), and the district city/minimum wage must be announced by Nov. 30.

The monthly minimum wage in 2024 increased to 5,067,381 IDR (a 3.6% increase from 2023). East Kalimantan's monthly minimum wage is 3,360,858 IDR (a 4.98% increase from 2023). The minimum wage in DKI Jakarta province is 5,067,381 IDR.

Under the updated framework included in Regulation No. 51, economic growth and in general, the regional rate of inflation will continue (Indonesian) to be taken into account, but the average household consumption per capita will not be included when setting minimum wage rates. Previously, the minimum wage calculation formula considered decent living needs, productivity and economic growth. However, the regional wage council will consider the regional level of workforce absorption and the average or median wage. These changes

are expected to enhance the council's role in setting minimum wages, and aims to ensure that the wage gap between regions does not increase.

Japan

The minimum hourly wage increased (Japanese) to ¥1,004 on Oct. 1, 2023 — exceeding the ¥41 increase proposed by the subcommittee of the Central Minimum Wages Council proposed (Japanese) on July 28, 2023. The highest hourly minimum wage in Tokyo is ¥1,113 (a ¥41 increase). In the Kanagawa prefecture, the hourly minimum wage is ¥1,112 (¥41 increase), and the lowest hourly minimum wage is in Okinawa (¥896, up by ¥43).

Laos

Effective Oct. 1, 2023, Laos's monthly minimum wage increased to 1.6 million LAK, up from 1.3 million LAK. This is the third increase since June 2022.

Macau

The 2024 minimum wage rates are included in Law No. 19/2023. The 2024 minimum wage rates are 7,072 MOP per month; 1,632 MOP per week; 272 MOP per day; and 34 MOP per hour.

Malaysia

The national minimum wage increased on May 1, 2022, to 1,500 RM per month. However, implementation of the new rate was delayed (Malay) until July 1, 2023 for employers with fewer than five employees.

Myanmar

The minimum wage increased (Burmese) on Oct. 1, 2023, to 5,800 MMK, up from 4,800 MMK — the first increase since 2018.

New Zealand

From April 1, 2024, the adult hourly minimum wage will increase to NZ\$23.15 (up from NZ\$22.70). The training and starting out minimum wage will be NZ\$18.52, up from NZ\$18.16.

Philippines

The daily minimum wage rates in the National Capital region increased on July 16, 2023, to 610 PHP (up from 570 PHP) for nonagricultural workers, and to 573 PHP (up from 533 PHP) for agricultural workers, service and retail establishments employing 15 or fewer workers.

The Regional Tripartite Wage and Productivity Board in three regions issued wage orders, increasing the daily minimum wages in their respective jurisdictions:

- National Capital Region: the minimum wage range is 573 PHP to 610, PHP (an increase of PHP 40), effective July 16, 2023.

- Region IV-A: the minimum wage range is 385 PHP to 520 PHP, depending on the locality (an increase of 89 PHP), effective Sept. 18, 2023.
- Region VII: the minimum wage range is 415 PHP to 468 PHP, effective Oct. 1, 2023 (an increase of 33 PHP).

South Korea

The 2024 minimum hourly wage increased to 9,860 KRW across all industry sectors, up from 9,620 KRW (a 2.5% increase). The hourly wage amounts to a monthly equivalent of 2,060,740 KRW (up from 2,010,580 KRW) for employees working the standard 40-hour work week. The new wage took effect on Jan. 1, 2024, and will apply until Dec. 31, 2024. It is estimated that approximately 3,347,000 workers will be directly affected by the minimum wage increase.

Taiwan
