

TENANT MANAGEMENT SERVICES

WHAT IS CORE?

A simple, transparent, subscription-based Workday support solution, powered by collaboration, innovation and partnership with you, delivered by full-time Workday-certified experts committed to providing professional and timely solutions.

WHY CHOOSE CORE?

Dedicated, proactive customer success manager

Capability to design solutions within your Workday tenants with your team

Team members fully dedicated to delivering TMS offerings

99% customer satisfaction
99% SLA adherence

Get access to Workday experts who will partner with you to ensure you're getting the most out of your Workday investment. We support the entire Workday platform, including payroll and financials. While we work to design solutions around break-fix and minor enhancement requests, we prioritize and seek out opportunities to provide you with knowledge transfer and training so you can become self-sufficient.

HOW DOES CORE WORK?

Choose from four service levels, with either a monthly or quarterly subscription.
