NOTES

1. This list summarizes common reporting, disclosure and other operational compliance obligations for single-employer, tax-qualified defined contribution plans covered by ERISA (excluding employee stock ownership plans) that have more than 100 participants and are sponsored by for-profit corporations with calendar plan years. This list is not exhaustive. Your plan may have other operational compliance requirements. For more information, see the plan reporting and disclosure guides from the [IRS](#) and the [Department of Labor](#). When the "weekend rule" applies, deadlines falling on a Saturday, Sunday or holiday move to the next business day; otherwise, actions should be taken on the business day before a weekend/holiday deadline.
2. Deadline for Form 945 is extended 10 days if full payment of taxes for the year deposited on time.
3. Deadline for Form 1099-R is extended one month for electronic filers.
4. The Setting Every Community Up for Retirement Enhancement (SECURE) Act ([Div. O of Pub. L. No. 116-4](#)) changed the required beginning date triggering age from 70½ to 72, effective for participants born on or after July 1, 1949.
5. Although this date is a Saturday, Sunday or legal holiday, no guidance clearly allows using the weekend rule to move this due date to the next business day.
6. An automatic 2½-month extension to file Form 5500 and/or Form 8955-SSA is available by filing Form 5558. Without filing Form 5558, an employer that is granted an automatic extension for its corporate tax return and has the same tax year as the plan year receives an automatic extension to file Forms 5500 and 8955-SSA by the extended filing deadline for the corporate tax return (but no later than 9½ months after plan year-end). The Form 5558 deadline for a calendar-year plan and extended corporate tax return deadline for a calendar-year C corporation fall on the same day: Oct. 15. However, S corporations must file Form 5558 to get the maximum extension. Employers that rely on the corporate tax return automatic extension to extend the deadline for the Form 5500 and/or 8955-SSA can't obtain an additional extension by filing Form 5558.
7. The summary annual report must be distributed within two months after the due date of Form 5500 (including extensions).
8. The SECURE Act eliminated the safe harbor notice requirement for some — but not all — plans that make safe harbor nonelective contributions. The earliest the safe harbor notice for the 2023 plan year can be furnished is Oct. 3, 2022 (Monday), which is 90 days before the beginning of the 2023 plan year.
9. The earliest the notice(s) for the 2023 plan year can be furnished is Oct. 3, 2022 (Monday), which is 90 days before the beginning of the 2023 plan year.
